## S E R V I C E M A N U A L

(SUPPLEMENT TO CHASSIS R17A6 - R16M6 SERVICE MANUAL, PART NO. 68P532321)

### GENERAL INFORMATION

This supplement contains information on Model SR52M6, which is a basic R16M6 tuner chassis, custom-designed (by adding the appropriate matched front plate assembly, etc) for installation in the 1950, 1951 and 1952 Studebaker. Align-

ment instructions, parts identification, schematic diagram and chassis parts list appear in Chassis R17A6 - R16M6 Service Manual.

### REPLACEMENT PARTS LIST SUPPLEMENT

NOTE: Refer to R16M6 Service Manual for chassis mechanical & electrical parts. When ordering replacement parts, specify model number of set in addition to part number and description of part.

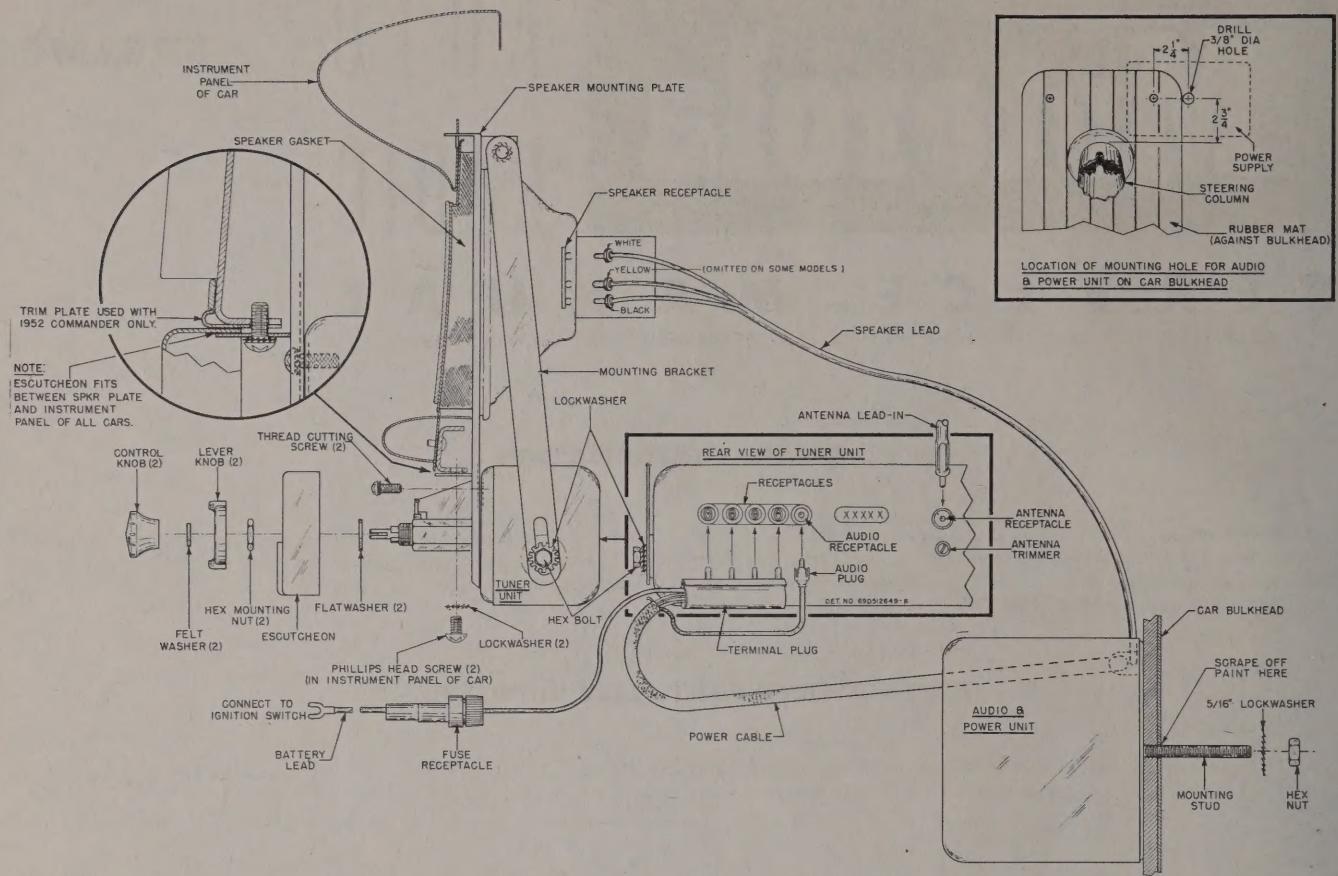

Part Number	Description	List Price	Part Number	Description	List Price
